It is also said that Harry Classen and R. P. Hart will accompany the delegation. We give the rumor for what it is worth.

Rev. W. S. Fitch preached his farewell sermon here last Sunday. A special program was prepared for the occasion and the church was well filled both morning and evening. Rev. Fitch has closed a very creditable two years pastorate here and the good wishes of his congregation go with him to his new field, wherever that may be.

Desiring an expression of the people, regardless of their former party affiliations regarding public affairs, which interest our people more than the packing of primaries and conventions by democratic and republican ringsters, we have made the apportionment so that every one who has the time and inclination to be present can do so without first consulting a self-appointed boss and thereby lowering his self-respect. The populist party is a western and southern party, representing the interests of the people, is in favor of the free coinage of silver on a basis of 16 to 1, and every true American who loves his home and family better than old party traditions is requested to participate in the proceedings.

Those in sympathy with the populist movement are requested to hold primaries Saturday, Sept. 29th, and all delegations are requested to report at the Tremont house in Silver City on Friday evening, Oct. 5th.
